

Specific ordering instructions for 2020/21 School Supply Kits: Our trusted supply vendor has modified their online pages slightly.

1. Start by entering 60126 as our zip code and selecting Churchville Middle School.
2. Select the grade that your child will attend **next** year and confirm the supply list. *There are slight differences between grades.*
3. **Ear buds: only included in the kit for 6th graders.** 7th and 8th can purchase a new pair on subsequent screens if needed.
4. **Calculators:** every grade needs one, but if you have one already from older siblings or previous school years, you do not need to buy a new one. Verify that you have yours and put it in a safe place for next year.
5. **A blue folder is checked for purchase, but is ONLY NEEDED FOR CHOIR STUDENTS.** Uncheck items that you don't need. You can do this at checkout as well.
6. **Lunch boxes, backpacks, water bottles, and other accessories are available for purchase on subsequent screens.** These items come from top-quality brands like Under Armour, Jansport, and Vera Bradley.
7. **New this year...SPIRIT WEAR:** Before checking out, you will also have the option to purchase Churchville spirit wear. Pictures shown are not exactly as they will appear. Churchville's horse logo may appear on t-shirts purchased. All spirit wear orders will immediately be sent directly to your house and 5% of each purchase is donated back to the school. There will be additional opportunities to purchase spirit wear throughout the fall.
8. **Donate a Supply Kit:** You can donate a supply kit to a Churchville family in need on the final screen before purchasing your order. These donations are much appreciated and are delivered to school staff who distribute them to those most in need. Thank you for your generosity!
